

Community Partnership

We support girls in tapping into their power to create community, discover their value and voice, find career paths and change the world!

ear Community Partner:

This year has been a drastic change for so many reasons.

In addition to our altered norm, non-profit organizations have been dramatically impacted. The Power of Girlhood had to go fully online. Imagine the disruption the girls felt as they had to engage with their mentors and peers on Zoom calls.

This and for so many other reasons is why I want to prove to the girls who belong to The Power of Girlhood that even if we were unable to see them in person, they are always in our minds and in our hearts!

With this letter, I invite you to make a **HUGE** impact in not only our community but in the belief of the power of females everywhere!

This would be a chance for your organization to join forces with other organizations committed to girl and women issues to create change.

With that said we are launching a podcast and magazine to help girls not only express themselves but build a strong platform for them to engage with others and grow their confidence.

Our goal is to raise \$11,000.00 for The Power of Girlhood!

With you by our side, I know we can get there! Don't worry! Donating to us doesn't just get you a fuzzy feeling but the Sponsoring organizations will benefit from extended media exposure through our magazine, podcast, and bi-weekly YouTube Series. It allows us to give scholarships to girls who do not have the financial means to participate in our programs and support summer leadership training and media internships.

There are several levels of tax-detectable sponsorship on the enclosed form. We're humbly asking for the support. We could not survive without our sponsors, who lend their names and financial support to this event.

As a sponsor, you will be in the best company of past supporters which include: The Torch of Wisdom, Henry Ford Health System, AAUW, Girl Scouts of America, Daily Venus Diva and loving individuals.

The money we raise will have a lifelong impact for each of the young women in our communities. You will be a blessing to them and to this organization. The last time you spent \$500.00, did it wield that much power?

If you have any questions, please contact us at 947-517-7638 We thank you so much for your support of The Power of Girlhood!

Sincerely,

Ber-Henda Williams
